If you have questions about this, email the [Chapter](#).

Events and Meetings...

Join us:

- Meetings are generally held the first Friday of each month from 12:00 pm-1:00 pm

Contact us if:

- You know anyone who would like to present or if you have a topic for a technical presentation

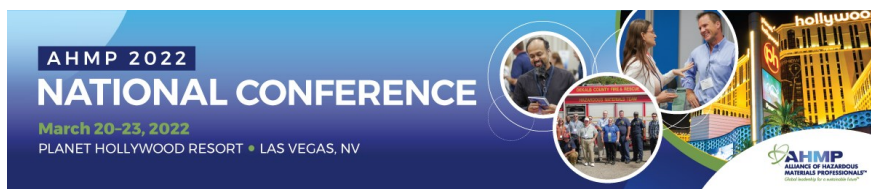

- You would like to post a job announcement, community event, or item of interest to

February Technical Session

Our fantastic speakers were our own Director At Large and President, Michelle Bost and Mark Wehner on February 4th. They gave a summary of TCEQ 's recent adoption of the federal Hazardous Waste Generator Improvement Rules and Pharmaceutical Waste Rules. These AWESOME presenters led a discussion about how the highly anticipated rule adoption will impact the regulated community in Texas.

Members received CEUs for attending technical sessions provided by the Chapter. If you have questions about this session or about membership, email the [Chapter](#).

The National AHMP Conference was held in Las Vegas this year. This conference featured technical sessions, pre-conference workshops, keynote presentations, tours, emergency response scenario, and more. Our Chapter President, Mark Wehner, was our Chapter delegate and presented at this years conference. If you have never attended this great opportunity to learn and network, would suggest attending the 2023 conference August 27-30 in Omaha Nebraska. If you have questions about this, email the [Chapter](#).

About us...

The Lone Star Chapter of Alliance of Hazardous Materials Professionals is an organization that enhances professional development through networking with other local EHS professionals from a variety of industries, state agencies, and other private entities. The Lone Star Chapter promotes the CHMM/CHMP credential on a national and international level. National AHMP provides regulatory updates and professional conferences. By participating in our local training and being trained in new areas of the profession, members are able to earn CMPs for re-certification. The Lone Star Chapter is committed to opening the doors for many members and welcoming new ones.
