Lone Star Anniversary

DID YOU KNOW...?

- The shorter days are a sign to trees to begin to prepare for winter
- Within the next 2 decades, global temperatures are likely to rise 1.5 degrees Celsius
- Animals change their behavior in autumn to get ready for winter
- Pumpkins are a type of squash, and all squash are fruit. That means pumpkins are actually fruit.

Lone Star AHMP Chapter met on July 14th for our annual anniversary celebration at Highland Lanes! It was GREAT to be back at the bowling alley for fun and comradery!!

If you would like more information, please email [Chapter](#) or see our [website](#).

COMPLIANCE NEWS

August Technical Session

Lone Star AHMP Chapter met on August 4th for our technical session at the Still Austin Whiskey.

We had an opportunity to tour the distillery and got an exclusive behind-the-scenes tour of what they do in house from milling, mashing, fermenting, distilling, barreling, and bottling. At the end, attendees tasted Still Austin's spirits.

If you have an idea for a future technical tour, please email the [Chapter](#).

Events and Meetings...

Join us:

About us...

The Lone Star Chapter of Alliance of Hazardous Materials Professionals is an organization that enhances professional development through networking with other local EHS professionals from a variety of industries, state agencies, and other private entities. The Lone Star Chapter promotes the CHMM/CHMP credential on a national and international level. National AHMP provides regulatory updates and professional conferences. By participating in our local training and being trained in new areas of the profession, members are able to earn CMPs for re-certification. The Lone Star Chapter is committed to opening the doors for many members and welcoming new ones.
