Anniversary Celebration/ Technical Session 2

Click on this [link](#) to nominate yourself or someone you know who would be a great addition to the Board!!!

September Technical Session 2

Events and Meetings... 2

We look forward to new members!!!!

DID YOU KNOW...?

- The world has over 3 trillion trees, but 27,000 are cut down each day
- Humans only use 1% of the world's water, even though 71% of the Earth is covered by water.
- 78% of marine mammals are at risk of choking on plastic.
- The combined weight of ants on the planet is higher than all of human beings.

EHS Hazmat Summit, formally National AHMP Conference was held July 14-17, 2024 in Kansas City, Missouri. Our Kansas-based Secretary Sarah Anderson was able to attend as our Chapter Delegate and received the Distinguished Chapter Award on our behalf. Thank you, Sarah! And many thanks to our Chapter members for making this another year as a Distinguished Chapter.

The EHS Hazmat Summit featured technical sessions, pre-conference workshops, keynote presentations, tours, emergency response scenarios, an exhibit hall showcasing the latest products, services, and resources, plus networking with peers.

If you would like more information, please email [Chapter](#) or see our [website](#).

COMPLIANCE CORNER

- For the latest TCEQ Compliance News and Information, go to <https://www.tceq.texas.gov/>

Anniversary/Technical Session

The Lone Star AHMP Chapter met on July 14th for our Anniversary/Technical session at Blue Owl Brewing.

The session included a tour of the distillery; which was an exclusive behind-the-scenes tour of what they do in-house from milling, mashing, fermenting, distilling, barreling, and canning! In addition, members were able to taste some of their brews!

If you would like more information, please email the [Chapter](#).

Events and Meetings...

September Technical Session

On September 13th, we had a bonus technical session from Brown & Brown with Kyle Strand to discuss environmental insurance, mitigating, and transferring risk.

He provided the basics of environmental insurance, and we went through case studies to determine the best scenarios to obtain an environmental policy.

Join us:

- Meetings are generally held the first Friday of each month from 12:00 pm-1:00 pm

Contact us if:

- You know anyone who would like to present or if you have a topic for a technical presentation

- You would like to post a job announcement, community event, or item of interest to

Our next technical session is planned for October 11th. For specific information, email the [Chapter](#) or see our [website](#).

About us...

The Lone Star Chapter of Alliance of Hazardous Materials Professionals is an organization that enhances professional development through networking with other local EHS professionals from a variety of industries, state agencies, and other private entities. The Lone Star Chapter promotes the CHMM/CHMP credential on a national and international level. National AHMP provides regulatory updates and professional conferences. By participating in our local training and being trained in new areas of the profession, members are able to earn CMPs for re-certification. The Lone Star Chapter is committed to opening the doors for many members and welcoming new ones.
