Anniversary Celebration

The Lone Star Chapter celebrated an anniversary on July 18th at Bouldin Acres! As always, it was great to see old friends and meet new ones over food and drinks. Despite the very hot days, there was even a game or two of pickleball.

Looking forward to our next pickleball opportunity together!

DID YOU KNOW...?

- Fungi and plants make up most of the Earth's biomass
- Only 1% of Earth's water is readily usable for humans
- The combined weight of ants surpasses that of all humans
- A significant amount of the waste in U.S. landfills consists of packaging material

EHS Hazmat Summit, formally National AHMP Conference was held September 8th-11th in Louisville, Kentucky. Our President Jeff Truss and Secretary Sarah Anderson attended as our Chapter Delegates.

The EHS Hazmat Summit featured technical sessions, pre-conference workshops, keynote presentations, tours, emergency response scenarios, an exhibit hall showcasing the latest products, services, and resources, plus networking with your peers.

Our Chapter was recognized for our 15 years!

About us...

The Lone Star Chapter of Alliance of Hazardous Materials Professionals is an organization that enhances professional development through networking with other local EHS professionals from a variety of industries, state agencies, and other private entities. The Lone Star Chapter promotes the CHMM/CHMP credential on a national and international level. National AHMP provides regulatory updates and professional conferences. By participating in our local training and being trained in new areas of the profession, members are able to earn CMPs for re-certification. The Lone Star Chapter is committed to opening the doors for many members and welcoming new ones.
